

# Prism Software Announcement

End of Life (EOL) announcement for Prism Software's PrintConsole Family of products.

Prism Software Corporation will End of Life (EOL) all of its **PrintConsole** software products as of December 31, 2006. The following products are affected:

<b>Product</b>	<b>Description</b>	<b>Version</b>
PrintConsole Pro	Data Routing and Conversion	All Versions
PrintConsole LE	Data Routing and Conversion (Light Edition)	All Versions

Effective immediately, no further product development will be done on these products.

### **Support after EOL**

All support for these products will end on December 31, 2006.

*Note: In the case where a support contract extends beyond the EOL date for the product(s) listed above, technical support will be honored through the end of the current support contract.*

### **Migration Options**

The functionality that exists in the PrintConsole family of products is available in our DocTransform product line. **DocTransform** is a Windows XP/2000/2003 based solution that offers all of the PrintConsole functionality in a client/server environment.

More information on DocTransform and its functionality can be found on our website at <http://www.prism-software.com>.

Please contact your reseller or Prism Software directly for more information and pricing.
